Reasons why it is important to go varsity bowling in Indiana

- Financially responsibility shifts to schools
- Schools would become more active and participation should increase
- ALL lineage is paid by schools (practice, matches, tournament)
- Bowling receives increased exposure (positive for everyone)
- Guaranteed staffing - long term
- Recognition as a varsity sport within the school and community
- Stats and records maintained with high school record database
- Administration of program will be driven by IHSAA
- More time for proprietor to concentrate on own business
