

The 2018-19 IHSB Season ended at Championship Lanes in Anderson today.

In the morning singles session, Keagan Trexler/Hamilton Heights came within one match of repeating as state champion. Keagan won the event last year but finished runner up to Melissa Bushong/Southport this year. Bushong won the championship match 211-163.

In the boys' competition, Nikolas Bowman/Ben Davis failed to win his second title as he dropped the championship match to Jordan Howard/Angola 214-175. The two were nip and tuck all day. The first game of qualifying they both shot 214. In the 2nd game Bowman grabbed a 1 pin lead by a 258-257 score. In the 3rd game Howard came back with a 256-255 victory and they tied with 727 which prompted a 9th and 10th frame roll off which Bowman won 48-28. Howard was able to come back up the stepladder to win the state title.

In the team event, both of last year's champions repeated. Portage won the girls' title for the 2nd year in a row while Ben Davis was champion again on the boys' side. Portage defeated Huntington North in the final match, 333-305. Ben Davis bested Wapahani by a score of 392-360.

There is one more event this season, The Bob Rohrman Subaru All-State Scholarship Tournament, Presented by Storm. The event will be at Pro Bowl West in Fort Wayne on March 2.
